CERTIFICATE

Mainfloor pipes for underfloor heating systems
MAINCOR Rohrsysteme GmbH & Co. KG

STATEMENT BY KIWA

This product certificate is issued on the basis of BRL 5602 Plastics piping systems of PE-RT intended for floor heating dated 25 October 2016, conform the Kiwa-Regulations for Certification.

The quality system and product characteristics in association with mainfloor pipes for underfloor heating systems are assessed periodically.

On this basis Kiwa declares that a justified confidence exists, that the mainfloor pipes for underfloor heating systems delivered by the certificate holder at delivery fulfil:

- the technical specification laid down in this product certificate,
- the product requirements as laid in the BRL.

provided that mainfloor pipes for underfloor heating systems have been marked with the KOMO®-mark in a manner as indicated in this product certificate;

Ron Scheepers
Kiwa

This product certificate is only valid in combination with a KOMO certified plastics piping system.

This product certificate is also included on the KOMO foundation websites: www.komo.nl and www.komo-online.nl.

Users of this product certificate is advised to check whether it is still valid. For this purpose consult the website of Kiwa: www.kiwa.nl.
