### Marking

The Kiwa<sup>®</sup>-mark products are marked with the word mark "KIWA KK\* of **KK**",

Place of the mark:

- on each 50 cm on the outside side of the tube.

\*) for small fittings marking with only KK is permitted

Compulsory specifications:

- dimensions of the tube;
- production period;
- CUPORI EN 1057 (OdxWT) (hardness / marking) KIWA GASTEC QA (month/year).

Method of marking:

- Non-erasable;
- visible after assembly.

### APPLICATION AND USE

- The products are meant to be used for domestic distributing networks for hot and cold water.

### RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- Cupori Oy
- and, if necessary,
- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
